

HAND IN HAND

*See the fire in the sky
We feel the beating of our hearts together
This is our time to rise above
We know the chance is here to live forever
For all time*

CHORUS:

*Hand in hand we stand
All across the land
We can make this world
A better place in which to live
Hand in hand we can
Start to understand
Breaking down the walls
That come between us for all time*

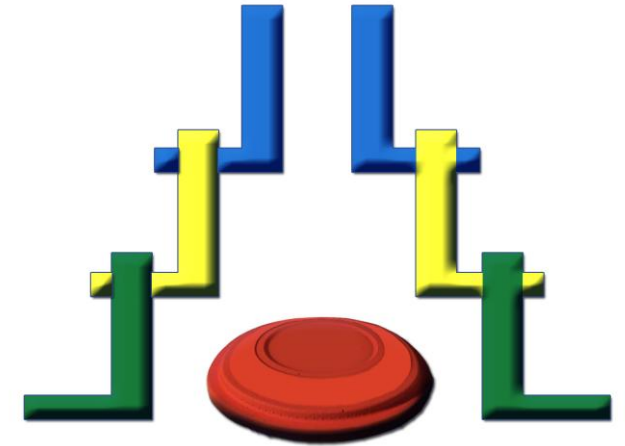

*Every time we give it all
We feel the flame eternally inside us
Lift our hands up to the sky
The morning clam helps us to live in harmony
For all time*

CHORUS:

*Hand in hand we stand
All across the land
We can make this world
A better place in which to live
Hand in hand we can
Start to understand
Breaking down the walls
That come between us for all time*
